

Higher Education for NTTF Students in UK/ New Zealand!

Admissions to New Zealand Universities are in June/July' every year.

Admissions to UK Universities are in September' every year.

As the Students will need to get their IELTS scores while applying, they will have to start the process early (latest by March' every year).

NTTF Students! You can study for Masters in UK/New Zealand!

Are you a diploma holder from NTTF? Do you have over 4 Yrs. of work experience?

You are now eligible for Masters in Engineering – MEng/MSc/MBA. And for those who don't have enough of work experience, don't worry. Get selected to final yr. of BEng(Bachelor of Engineering, after which you could proceed to complete your MEng/MSc/MBA which are all one year programmes in the UK.

IT/ Mechatronics students are eligible for entry into 1 yr. Graduate diploma leading to 1yr. Masters in New Zealand, where you get an opportunity to stay back for one year after your studies, look for job and apply for PR(Permanent Residency)
