

Dear Sir/Madam,

Sub: Graduate Engineers Training leading to PG Diploma in TVET

NTTF (Nettur Technical Training Foundation), started in the year 1963, is an ISO 9001-2000 Certified Training Institution, having 15 centers all over India, running 21 different courses, spread over 10 states in India and imparting a very high standard of technical training. Our trainees are placed in reputed Indian industries / institutions, MNCs and IT Companies. Our training is highly practical oriented and industry focused.

To meet the faculty needs for this growing organization, we recruit fresh graduates and give them rigorous training for one year (practical / theoretical / soft skills and didactics) and followed by one year OJT (On Job Training), to make them suitable for imparting good training. Willing candidates would be considered for permanent absorption, thereafter.

Intensive training will be given in the following areas for selected candidate:

- Theoretical inputs related to relevant field of Engineering / Specialization
- Extensive hands on training in various workshops /labs related to field of study
- Latest Training Methods and Teaching Techniques
- Presentation skills and hands on teaching practices
- Classroom Management Practices
- Modern Shop floor Practices- QMS/TS, Kaizen, Lean Mgt, 5S Practices, etc.
- Soft Skills including counseling skills

Selection will be on the basis of an Entrance Test, Viva etc. Canvassing in any form will lead to disqualification.

Information to Graduate Engineers

PG DIPLOMA IN TVET (TECHNICAL VOCATIONAL EDUCATION AND TRAINING)

A unique PG Diploma in TVET is being offered by NTTF. This course is for a period of two years, with the first year dedicated to coverage of Theory, Lab / Workshop Practical Exercises and OJT (On Job Training) for the Second year, at any of the NTTF Centers. Following are details of the programme.

Option 1 : Has to pay one time **caution deposit of Rs 36000/-** which will be refundable after successful completion of the scheme of $3\frac{1}{2}$ years ($1\frac{1}{2}$ year training + 2 years of on the job training)

or

Option 2 : Has to pay a **caution deposit of Rs. 36000/- @ Rs.2000/-** per month which will be deducted in 18 equal monthly installments from the stipend during their initial training period of one year.

- First year - Training either at **Bangalore or Dharwad** with a stipend of Rs.12,000/- p.m. for 18 months
 - Second year – **On the Job training** at any of the centres of NTTF as Training Officers on **Probation** with a minimum salary of Rs.24000/- p.m. after completion of 18 months training
 - Third year – Placement on the regular job as per existing salary as that of a **confirmed Training Officer** after one year of probation.
 - After completion of three and half year successful GETs will be awarded a **PG Diploma in TVET**.
 - All candidates selected as GETs need to **sign an agreement** to serve the organization for a period of $3\frac{1}{2}$ years.
-
- Graduates from Mechanical/ Electrical/ Electronic stream would be eligible.
 - All candidates would have to execute an agreement with NTTF to abide by the Rules of the organization during the training period and serve NTTF during the applicable period.

ON SUCCESSFUL COMPLETION OF THE AGREEMENT PERIOD OF $3\frac{1}{2}$ YEARS THE CANDIDATE WILL GET BACK THE CAUTION DEPOSIT PAID IN FULL.
