- CAM Slam competition, organized by Autodesk at IMTeX 2025
- Volvo-Sponsored CNC Training for Women Launched at NTTF
- NTTF - Titan Company Ltd, Pantnagar, LEGS program Trainees Join VGL Group
- LEAD Programme Training Sessions at NTTF Vellore
- Successful Campus Drive by LLS Pvt. Ltd. at NTTF Peenya
- NTTF Celebrates SAAMARTHYA 2025

NTTF continues to set new benchmarks in skill development and industry collaboration with a series of remarkable achievements and initiatives. The institute wholeheartedly celebrated SAAMARTHYA 2025, celebrating the strength and resilience of specially-abled athletes. Strengthening its industry partnerships, NTTF - Titan Company Ltd. at Pantnagar continues to empower students with hands-on experience. The LEGS program trainees have successfully joined VGL Group, marking another milestone in our commitment to employability.

Additionally, NTTF Peenya hosted a successful campus drive by LLS Pvt. Ltd., offering promising career opportunities to trainees. We also made our mark at the Roundtable Discussion on Skill Development Programs in Design and Creativity, organized by CII and Assam Skill University, contributing to the future of industry-relevant education. These achievements reflect our unwavering dedication to fostering skill-based education, industry collaboration, and workforce development, empowering trainees for a bright future.

Innovator is our bi-monthly newsletter to keep you updated on our partnerships, programs and innovative pursuits in catalysing impactful action through education and training. Join us in our journey as we continue to reach the next milestones!

A Proud Moment for NTTF!

Trainees from the Computer Engineering and IT Infrastructure (CP08) program at NTTF Electronic City Centre (NEC) have achieved a remarkable feat by securing all three top positions at the Rectangled.io Hackathon! Held online from October 10-20, 2024, the competition saw over 2,500 participants from 50+ colleges across South India.

- **1st Place:** Vivek Vardhan Konduru (iPad worth ₹30,000)
- **2nd Place:** Tinku Manikanta Palivela (Amazon Gift Voucher worth ₹10,000)
- **3rd Place:** Sushanth Singh Rajput (Amazon Gift Voucher worth ₹5,000).

This outstanding achievement highlights their dedication, innovation, and skills. Special thanks to the NEC Placement Team for their continuous support and mentorship, which made this success possible.

CAM Slam competition, organized by Autodesk at IMTeX 2025

NTTF is truly honored to acknowledge the remarkable achievement of Mr. Renjith Reghu in the CAM Slam competition, organized by Autodesk at IMTeX 2025. This prestigious event brought together top talent in Computer-Aided Manufacturing (CAM), challenging participants to apply innovative solutions to real-world industry problems. Securing this victory in a highly competitive arena is a testament to his exceptional skills, technical expertise, and dedication to excellence in manufacturing technology.

Skilling youth for a better future: An NTTF Trainer's inspiring journey!

Mr. Avinash S

CNC Training Officer, NTTF

Skilling youth for a better future is not just about imparting technical expertise, it's about inspiring confidence, fostering continuous learning, and bridging the gap between education and industry. Trainers play a crucial role in shaping the careers of young professionals by equipping them with hands-on experience, industry-aligned training, and mentorship.

"My biggest motivation comes from seeing students understand concepts and gain confidence in their skills." – Mr. Avinash S, CNC Training Officer, NTTF.

In an insightful conversation with Dr. Madhuri Dubey, Founder-Director of NSN, Mr. Avinash S, CNC Training Officer - Skill Development at NTTF, shared valuable insights on his journey as a trainer. From his inspiration to pursue a career in training to his innovative methods for engaging learners, Mr. Avinash's passion for skilling youth is truly inspiring. The discussion also focused on the memorable projects Mr. Avinash S has worked on, including the Tamil Nadu Tribal Welfare Project and CNC internships, and his strategies to motivate trainees.

Q. Please share your experience of receiving the Best Trainer Award from NTTF on its 65th anniversary.

A. The Best Trainer Award was given to me based on my training methods and how I conduct sessions. While I'm thankful and honored to receive this recognition, I believe this award is not mine. It belongs to my entire department. The continuous motivation from my managers and the support from my head of department, who recommended me for this nomination, played a key role in this achievement. This is a team effort—my contribution was to prepare thoroughly and deliver my best.

Q. What inspired you to become a trainer?

A. My inspiration to become a trainer began during my college days while studying mechanical engineering in Chennai.

Volvo-Sponsored CNC Training for Women Launched at NTTF

Volvo-sponsored three-month CNC Operator Training Program for 15 young women was successfully conducted at NTTF Electronic City Centre (NEC), equipping them with specialized CNC Operations and Precision Engineering skills. Launched on December 16, 2024, this initiative was spearheaded by Mr. N. Suresh, Head of Skill Development at NTTF, and Mr. Satish Joshi, Principal of NEC and Head of the South Zone, inspired the trainees to pursue excellence in technical fields.

With unwavering support from Volvo, this program has played a vital role in fostering women's empowerment in engineering, providing them with industry-relevant expertise and career opportunities. We are glad to announce that all 15 trainees have successfully completed the program and secured placements at Innovativ Solutions, crossing a significant milestone in their professional journeys.

This achievement highlights the power of skill-based education and industry partnerships in shaping future-ready professionals. Kudos to the graduates for their dedication and perseverance—this is just the beginning of their bright careers in the world of Precision Engineering!

A moment to cherish!

NTTF - Titan Company Ltd, Pantnagar, LEGS program Trainees Join VGL Group

The VGL Group through their collaboration with Titan Tanishq successfully hired talented trainees of NTTF Diploma in Manufacturing Technology. The trainees specialized in Jewelry manufacturing, which is an elective subject. This accomplishment showcases the commitment, expertise, and hands-on training provided at NTTF, preparing students for successful careers. We appreciate VGL Group and Titan Tanishq for their confidence in NTTF Titan Company LEGS trainees and for fostering opportunities to develop future industry leaders. Together, we strive to drive growth, innovation, and excellence forward.

Highlights of the LEAD Programme Training Sessions at NTTF Vellore

The LEAD Program at NTTF Vellore Training Centre (VTC) made a meaningful impact on workforce development. This corporate training initiative for India Yamaha Motor Pvt. Ltd. employees empowered blue-collar workers by equipping them with the skills and training needed to transition into white-collar roles. The Yamaha employees were seen sharpening their skills, collaborating with peers, and embracing the path to professional growth.

Successful Campus Drive by LLS Pvt. Ltd. at NTTF Peenya

The Lakshmi Life Sciences Pvt. Ltd. (LLS) conducted a successful campus drive for NTTF's Digital Tool Engineering students at NTTF Peenya, Bangalore (BTC). Our students impressed LLS team with their enthusiasm, technical skills, and professionalism. We sincerely appreciate the LLS team for valuing the talent at NTTF and offering them opportunities to thrive in the tooling industry. We, at NTTF, take pride and congratulate the students as they take a significant step toward a promising and fulfilling career!

Murbad NTTF 2.0: Meeting students again and sharing knowledge

Mr. Murali N, Head Strategic Sourcing at ITW (Illinois Tool Works), an NTTF alumnus, recently reconnected with students at NTTF Technical Training Centre Murbad (MNTC), sharing valuable insights on career goals, effective time management, and lifelong learning. He emphasized the importance of setting clear goals, staying adaptable in a fast-changing world, and continuously upskilling—even after landing a job. To all students: Your journey has just begun, stay curious, keep growing, and passionately chase your dreams!

Magical Winter Evening at NTTF Pune Training Centre (PNTC)

Hostellers at NTTF Pune Training Centre (PNTC) welcomed the winter chill with a cozy campfire evening at the hostel grounds. Gathered around the warm glow of the fire, students shared laughter, music, and great moments of togetherness, creating lasting memories.

Alumni Spotlight

- Mr. Murali N graduated from **NTTF with a Diploma in Tool and Die Making**
- He started his career as a **Tool room engineer, Tool designer, and Product designer**
- He moved into the role of Executive - Supplier Development (STA) Seating Components at Adient
- His journey at Adient continued as he took on the position of Deputy Manager of Operations - Seat Track Plant
- Currently, he is working as the **Head of Strategic Sourcing** at ITW (Illinois Tool Works)

YNTC Batch 6 completes their journey under the LEGS program

The YNTC Batch 6 (Yamaha) successfully completed their journey under the LEGS (Learn Earn Grow Succeed) program. This program combines on-the-job training with theoretical sessions, allowing trainees to earn a monthly stipend as they work towards a diploma certification.

Sports Day 2025: A Day to Remember!

NTTF Vellore recently hosted Sports Day 2025 with great enthusiasm, showcasing energy, sportsmanship, and celebration! Mr. Magesh was our honourable Chief Guest for the event. His inspiring words and presence added immense value, motivating our students to excel on the field and in life.

NTTF Celebrates SAAMARTHYA 2025: Sports for the Specially-Abled

NTTF, in collaboration with Lions International LEO District 317A, organized "SAAMARTHYA 2025" at NTTF Electronic City Centre (NEC), Bangalore; an inspiring sports event celebrating the perseverance and strength of specially-abled athletes. The event was a testament to remarkable sportsmanship, where participants displayed incredible skill, determination, and camaraderie. It served also as a powerful reminder that with the right support, no obstacle is insurmountable. We feel privileged to contribute to this inclusive initiative, fostering empowerment and encouraging everyone to break barriers.

Three trainees from MNTC secure Gold at the 35th CII Western Region Work-Skills Competition

We are happy to share that our Murbad Centre trainees secured 1st Prize with Gold Medals at the 35th CII Western Region Work-Skills Competition, held in Mumbai on 4th & 5th February 2025. Competing against industry professionals, they demonstrated outstanding expertise across three categories.

Our Champions -

- **Dilip G. - 3rd Year Mechatronics & Smart Factory - Trade: PLC**
- **Pranav Yogesh Gadkari - 2nd Year Mechatronics & Smart Factory - Trade: Industrial Electronics**
- **Ujwal - 3rd Year Tool Engineering & Manufacturing - Trade: NX CAM Design**

Their achievement is a testament to the excellence of NTTF in Precision training. Congratulations to our champions for making us proud!

NTTF Pune Trainees Gain Industry Insights with Exclusive Visits to Leading Companies

NTTF Pune trainees and staff had an insightful industrial visit to four renowned companies: Vinyl Hitech, S2G Electro Ventures, OEN India, and Metpro Technologies. This experience gave students a practical perspective on industry operations and advanced technologies. It also helped bridge the gap between classroom learning and real-world applications, enhancing their understanding of industry expectations and career opportunities.

Shaping Skilled Professionals: TAHD CO-Sponsored CNC Training in Progress

NTTF's TAHD CO-sponsored candidates have embarked on their CNC Operator Program with enthusiasm and passion for learning. Through a combination of hands-on experience and technical expertise, they are mastering precision techniques and advanced manufacturing concepts. This transformative training is equipping them with the skills needed to thrive in the industry, paving the way for a future of innovation and excellence in CNC operations.

Celebrating success - NTTF's 60th Convocation Marks a Historical Milestone

The 60th Convocation Ceremony was filled with pride, joy, and endless smiles as our incredible trainees stepped into their professional journeys. The historical milestone reflects their perseverance, dedication, and commitment to excellence, paving the way for a promising future.

The Chief Guests for our 60th Convocation ceremony were **Mr. Yuki Kita San, President and CEO, Fanuc India Private Limited** and **Dr. Vidyashankar S, Vice Chancellor, Visvesvaraya Technological University (VTU)**, along with our esteemed guests, **Mr. R Ramanujam, Chairman, NTTF**; **Mr. Aroon Raman, Chairman - Edutech, NTTF**; and **Mr. R. Rajagopalan, Managing Director, NTTF**.

The ceremony was a tribute to their hard work and achievements, as NTTF honored their journey with heartfelt wishes for continued success. As they embark on new opportunities, we celebrate the memories made, the skills honed, and the bright futures ahead.

NTTF participates in Discussions on Skill Development Programs by CII and Assam Skill University

We had the opportunity to participate in the Roundtable Discussion on Skill Development Programs in Design and Creativity, organized by the Confederation of Indian Industry in collaboration with Assam Skill University on January 24th, 2025. The event highlighted key areas such as Product Design, Textile Design, Media & Communications, and Filmmaking. It was an inspiring platform to exchange ideas, and shape the future of skill development in creative industries.

Baroda Achievers Award! at Dharwad Training Centre (DTC)

NTTF Dharwad Training Centre (DTC) enthusiastically honored our top-ranking students at the Felicitation Ceremony, sponsored by Bank of Baroda, Hubli Region, Mangalore Zone, on February 4, 2025. With esteemed officials and our CFO, Mr. Srivatsan in attendance, the event celebrated excellence, dedication, and future opportunities. This recognition inspires trainees and underscores industry-academia collaboration in shaping skilled professionals.

NTTF's Corporate, Skill and Government Programs: A Summary

NTTF's Corporate upskilling and reskilling programs are designed to empower employees with the knowledge and expertise they need to excel in their roles. NTTF's team customizes the programs to meet the ever-changing demands of the industry and ensures that the employees are skilled to meet even future needs. With over 200 clients, this vertical has trained more than a lakh employees. NTTF's skill development vertical handles all short-term training programs leading to third-party certifications like NSDC/SSC, NCVET, and Industry Certification (Microsoft, CISCO, AWS,

etc.) and is generally funded by various government schemes or corporate CSR sponsorship. This business vertical also establishes and manages Skill Development Institutes (SDIs) offering certifiable programs (up to 6 months) on behalf of corporates. Currently, this vertical manages 3 SDIs, 1 ITI, and various on-campus programs funded by governments or corporations. We work with about 11 state governments and corporates offering 67 different NSDC/NCVET qualifications.
